

Chief, Tokyo Bureau

20 April 1948

Acting Chief, FBI

Availability of Press Copy

Recent notices concerning the prospective relaxation of censorship on the part of SCAP have aroused some apprehension that the availability of Kyodo and Jiji copy to Tokyo Bureau may possibly terminate before the withdrawal of occupation forces.

Please be on the alert for any indication that resumption of Japanese monitoring may be required in order that staffing needs may be anticipated as far as possible in advance.
